We, the *Argus* staff, are very proud to dedicate the 1986 yearbook, (MEMORIES,)

to Mr. Ronald Modeste

Born in San Francisco on July 31, 1933, Mr. Modeste attended Santa Clara University from which he obtained both his Bachelor of Science Degree and Master's Degree in Counseling Psychology. In addition, he has attended San Francisco State University and San Jose State University.

After teaching and coaching at Riordan High School in San Francisco, from 1958 to 1962, he came to James Lick High School, where he has been teaching, coaching, and counselling for twenty-four years.

Although Mr. Modeste's favorite saying is "DON'T BE BOLD," he is known at Lick and at home as a fun-loving kind of person, who is often sought out by students and friends alike for help with personal and educational problems.

He loves spending time with his family, especially his grandsons and also takes delight in watching his son, Mark, compete for Saint Francis High School in basketball, football, and track. Incidentally, Mark is not the only athlete in the Modeste family; all four of his daughters are excellent swimmers.

His favorite past-time is coaching the defensive line of Santa Clara University football team, a labor of love, which he has been doing for over twenty years.

Congratulations, "Mr. Mo."! and thanks for being such a special part of so many of our lives for the past twenty-four years.

Well, they forgot my name? How
forgetting! How could they forget a
matter? I don't know either! Any-
ways, I wish we would've talked
more this year. Remember all the good
times we had in George? Life was
so simple then, so what happened at
fuck huh? You don't want to talk to me
huh, that's it huh? I knew it? No, I
do wish we would've though. What are
your plans after school? I have no big
plans, you know, work, go to college, take
vacations. Even though we weren't close
this year I still consider you a special
friend. Take care of yourself Jesse ok
'cause I care. Du ya!

PRINCIPAL

Dear Graduates:

It sounds quite traditional when we state that each year is better than last. It just seems so, and yet I am sure that is exactly how we feel. As we all grow and progress through life, each year does indeed get better than before. What we learn and how we use our abilities is the measure of our own success and happiness. There is no doubt that 1985-86 will be remembered as a year better than all the rest thus far.

Congratulations to each of you for the part you've played in this success and may your lives continue to grow with knowledge and happiness.

JAMES LICK STUDENTS

The BSU (Black Student Union) has become very active over the past few years with the help of the club's advisor, Mrs. Youngblood. The members are very enthusiastic about their club, and feel that pulling together and helping in the many activities and fund raisers has given them a feeling of unity. Some of the club's activities include the annual BSU dance, a spring fashion show, and the crowning of a BSU King and Queen. President: Laina Faulk

ASIAN AMERICANS

The Asian American club is one of JL's newest clubs. This club is an organization for Asians or any student or staff member who is interested in Asian culture. The club's goal, under the guidance of advisors Mr. Yim, Mr. Chang, and Miss Oyama, is to promote cultural awareness and provide opportunities for interaction and understanding among students and staff. Because the Asian Americans are far away from their native lands, the club helps them preserve in their memories the meaningful culture, values, and traditions of their country. President: Dominique Hoang Vice President: Pam de Jesus

Love them what now? Love me Mami's

The photo club is devoted to developing unity among students interested in photography. The photo club acts not only as a social club but as a civic one as well. Activities include field trips, taking Christmas pictures with Santa, and providing the yearbook with many candid pictures of the student body. The success of this club is due to the enthusiasm of the students generated by Mr Villianueva, the club advisor.

The Art club consists of a group of students who are interested in the fine arts. With the help of Mrs. Kibort, students meet for various drawing and painting sessions. Through the Art club, students are able to learn new and different art techniques, as well as improve upon the skills they have already learned. Many of the works created by the students have been entered into contests and art displays.

J.L. DRAMA, CREATING SPECIAL MEMORIES

Over the past few years, the drama club has become very active. Under the leadership of Ms. Mongiello, the drama club, also called ACT, has not only become much more productive but has even become a class. Each year Ms. Mongiello has helped ACT add new and different events to its list of activities. In the past, the drama club, has presented various lunchtime demonstrations, and both a winter and spring production. However, last year ACT began a traditional One Act Play Festival which involved many different schools, and this year added Christmas presentations at old folks homes and a talent show. Being in the drama club involves an enormous amount of hard work and dedication, but those students interested in the fine arts have been very willing to put forth the effort. One of the most beneficial aspects of James Lick's drama club is that it is open to everyone: dancers, singers, actors, musicians, and even artistic students, who can participate through helping with costume and scenery design. All students have a chance to not only display their talents but to learn new techniques as well. This year all members of the drama club would like to express their sincerest thanks and appreciation to Ms. Mongiello, who has volunteered many hours of time and support toward making our drama club what it is today. Ms. Mongiello has helped provide many hours of entertainment for many people and helped create special memories for students here at Lick. ACT would like to thank Mrs. Henninger, who has also contributed many hours of time and support to the drama club.

THE DIARY

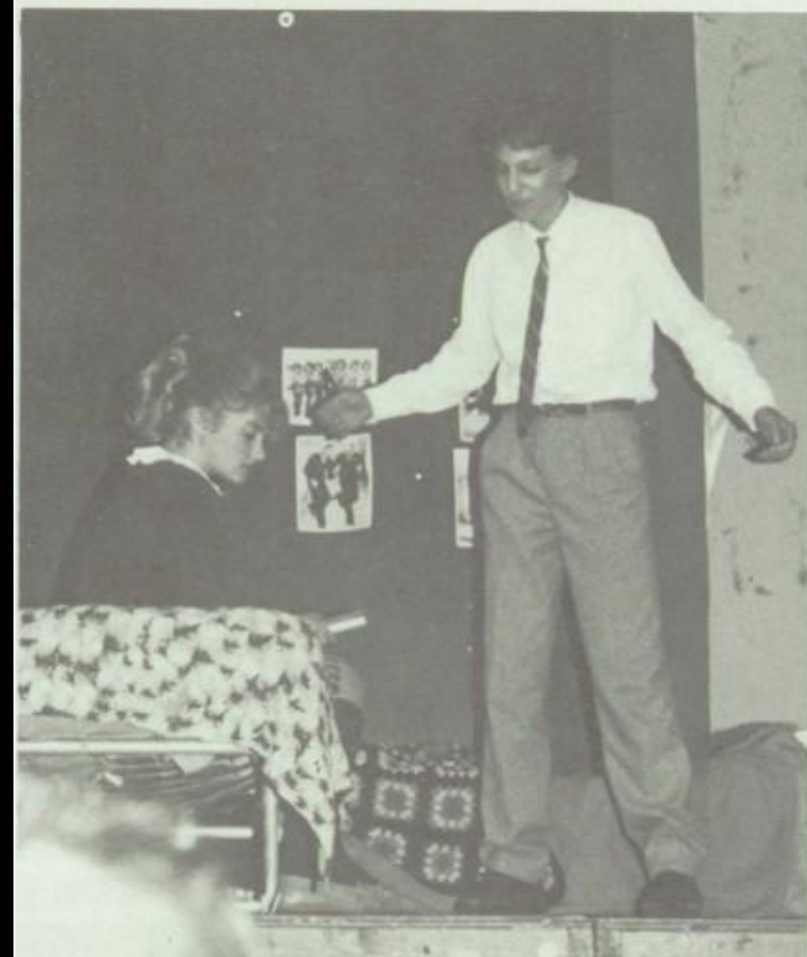

Dawn Basques introduces the second act with a beautiful Hebrew ballad.

OF ANNE FRANK

This year ACT presented their very first dramatic production "The Diary Of Anne Frank." The play was a humorous, touching, and revealing account of the Frank family's frightening experience. Both Ms Mongiello and cast members put many hours of work and rehearsal into the play, making it one of the finest productions ever presented by ACT. Special thanks to Bob Miller and Nella Henninger for their help behind the scenes.

SPEECH

In its second year, the speech team, under the leadership of Miss Shea, continues to build thoughtfulness, culture, and pride in James Lick students. The team is a member of the Coast Forensic League, and participates throughout the year in individual events, tournaments, and student congresses. The Speech club has competed in such prestigious events as The California High School Speech Association State Tournament, The Rotary, The Lyons, and The Optimist Club Oratory Contests. The highlight of the Speech team's year is the traditional "Night of Speech," a fitting climax to a rewarding season.

MOCK TRIAL

The purpose of the mock trial organization is to acquaint members with the judicial process of the state of California. Every student assumes the role of characters in a dramatized case including that of witnesses, attorneys, bailiffs, and court clerks. The team met Pioneer, Gunn, and Homestead in competitions this year, being victorious over Homestead. Particularly outstanding in team competition was Heidi Brady, who received special recognition for her role as prosecuting attorney.

Members of this year's mock trial team were Tracey Amaral, Heidi Brady, David Donate, Liz Faulkner, Ted Haeger, Elizabeth Herrera, Phil Horn, Chris Manglona, Evelyn Martinez, Ari Sklar, Rudy Swane, Alan White, and Sean Hernandez.

U.C.O.

The UCO program (University College Opportunity Program) was developed to improve factors which will enhance the college and university eligibility of under-represented students from the East Side Union High School District. This club was designed to inform, tutor, and motivate students and their parents, regarding college and university admission. UCO also offers individual counseling to encourage students to take and succeed in those classes necessary to gain college admission.

This year's Academic Decathlon members: Kristie Allne, Quang Bui, Aaron Edstrom, Scott Flinders, Dominique Huang, Vickie Moore, and Chris Young spent all day Saturday, November 16th, competing against students from high schools throughout the county. From 8:00 a.m. to 4:30 p.m. they were tested in economics, science, math, fine arts, literature, and social science together with an interview and impromptu speech. Then to top off the day there was a Super Quiz on Immigration. Our students scored well with Scott Flinders leading the way with a silver medal in social studies. Coaches of this year's team were Mrs. Baker, coordinator; Miss Chamberlin, English; Mrs. Kibort, fine arts; and Mr. Curtis, Mathematics.

The 1985 Varsity football team will be well remembered, as a team that provided the school and community with excitement and a great sense of James Lick pride. A 5-5 season record and a strong 5-4, third place finish in the tough M.H.A.L. strongly contributed to reestablishing Lick's football tradition. The season highlights have to include the upset win over previously unbeaten Mr. Pleasant and also the victory over Andrew Hill in the Bell Game. The most outstanding back was Ricardo Rios, and the most outstanding line man was Matt Raney. Two players made all-M.H.A.L. 1st team, offensive guard Matt Raney and offensive tackle Everett Bryand. Three J.L. players made All-League 2nd team, linebacker Joe Amato, defensive back Mike Murillo, and offensive tackle Mike Chavez. Over all, this 1985 Varsity season was very successful, not only for the players and coaches but also for the entire James Lick family.

FRUSTRATING!!!

MRS. JUNIGER

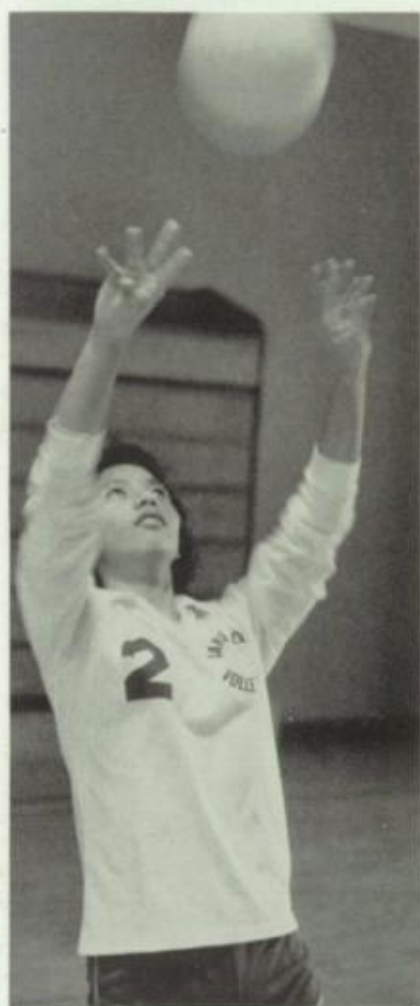

A great deal of valuable experience was gained as the varsity volleyball team suffered through a frustrating season. Several matches were very close, especially against Overfelt and Mt. Pleasant, but unfortunately the girls continually came up on the short end of the score. Improvement was obvious, and with four freshman joining sophomore, Most Valuable Player, Florie Bates, the future looks bright for the Lick volleyball program. In addition to MVP Bates, awards were presented to Vikki Avila, who was selected as Most Improved Player, and to Jenni Ybarra, who was chosen as Most Inspirational Player.

YOUNG, SPIRITED TEAM GAINS VALUABLE EXPERIENCE

"There is a bright future for girls cross country at Lick."
Coach Antes

This was the largest and youngest team in the history of girls cross country at James Lick. The spirited group worked very hard and improved during the season, showing promise for the future. The girls ran their best race in the MHAL finals, with Rosalyn Slease qualifying for the Region III meet. Although the team had a season record of 2 wins and 7 losses, they placed seventh in the league. Angelica Sanchez was chosen as the team's MVP, and Rosalyn Slease was selected as Outstanding Runner.

NEW COACH, NEW APPROACH!

Coach Zimmerman's first year as varsity basketball coach at Lick was not especially successful in terms of a won-loss record, but the team was respectable and competitive. After showing promise with a strong third place finish in the J.L.I.T., the Comets played almost all of their opponents tough, but had a difficult time bringing home the victories.

Senior Eric Ready was selected All-MHAL and voted to the all tournament team at both the James Lick and Wilcox tournaments. Team MVP, William Johnson, was a member of the James Lick All-Tournament team as well as being chosen first team All-MHAL. The coach's award for dedication, hustle, and enthusiasm went to Antar Williamson.

With the return of several fine athletes, Coaches Zimmerman and Menacho are cautiously predicting that next year's team will be in the race for the MHAL crown.

VICTORY IN SEASON FINALE ENDS A LONG SEASON ON A POSITIVE NOTE

"A rough season for girls' basketball"

Coach Lori Jones

Top L-R: L. Aguirre, A. Sanchez, S. Walters, E. Garcia, C. Benavidez Middle L-R: M. Avalos, M. Covert, M. Bucio, E. Booth, D. Basques Bottom L-R: J. Zapeda, D. Kamrar, E. Farias, not pictured, Coach Jones

This year's girls' varsity basketball team suffered through a frustrating year. Despite the losing year in games won, it was a winning year in attitude and effort. The Comets worked hard all year and went in to every game feeling they could win. Highlighting the season was a final game victory in the closing seconds, against Oak Grove 42-41. The team loses several players like D. Basques, C. Benavidez, M. Bucio, M. Covert, D. Kamrar, and E. Farias due to graduation, but next year's team looks promising with several returning players. Post Season honors went to Elaine Garcia (MVP), Suzie Walters (Most Improved), and Erin Booth (Most Inspirational).

1. A perfect follow through indicates that Dawn Basques' freethrow was good. 2. Erin Booth throws the ball inbounds. 3. Sophomore Suzie Walters shoots the first of two. 4. The start of the James Lick - Del Mar game. 5. Maria Bucio struggles to keep possession of the ball. 6. Eva Farias throw a strike to Suzie Walters. 7. Elaine Garcia blocks a Del Mar girl out as Michelle Covert goes for the ball.

This year's frosh-soph team with only two returning players, fooled those who forecasted a dismal season by compiling a respectable 6-7 MHAL record and 9-11 overall. Valuable experience was gained by this talented group and many of them are expected to make major contributions to the varsity next season. Post season awards went to Scott Hoppe, (Most Valuable Player), Larry Gonzales (Most Outstanding Player), and Henry Wright (Most Spirited and Best Defensive Player). Although not receiving any specific awards, Gilbert Estrada and Paul Brewer are worthy of special recognition for their contribution to the team.

The girls frosh-soph basketball team suffered through a long season. It was a time of frustration and disappointment, but it was also a time of learning and character building. The girls' patience and effort finally did pay off in a victory over Oak Grove in the season finale. Kendra Morris received the Most Valuable Player Award, and Mary Kay Claudino and Maria Garcia were selected Most Improved and Most Inspirational, respectively.

1. A battle for a loose ball against Del Mar.

It was a rough season for the James Lick Boys Soccer Team. Their season record, 3-8-2, does not show the effort that the players made as a team. The highlights of the season, in addition to the wins, were the three very close games against Santa Teresa, Piedmont, and Independence. Although Lick lost the games, it did show the development of the team. The team had three players chosen for the All-League team; senior Richard Flores, a forward; junior, Norm Furtado, a midfielder; and junior John Correa, the goalie. A better season is predicted for next year.

1. Coach Bettencourt gives orders as Nester Morales looks on. 2. The ball is in control of Nester Morales. 3. Arthur Guterrez boots the ball downfield.

SENIOR DOMINATED TEAM MAKES THE PLAYOFFS

"I feel very unfortunate that I got to coach the seniors only for one season"
Coach Saulus

Experience pays! This truism proved a valid assessment of the girls' soccer team this year. With a fine nucleus of proven players coupled with an impressive group of newcomers, Coach Saulus worked the girls hard all season long, and it paid off with a playoff quality team. The team should be commended for defeating Andrew Hill to earn a berth in the MHAL playoffs as well as compiling a record that was good enough for a strong second place finish in their division.

Selected ALL-MHAL were Christina Arena, Paisley Laymon, Florie Bates, Kim Strachan, and Kristy Allen. Post season awards went to Christina Arena (Most Valuable), Paisley Laymon (Most Inspirational), Verna Powell (Most Improved), Florie Bates (Best Offensive Player), and Michelle Rose (Best Defensive Player).

VARSITY DISAPPOINTS, BUT FROSH-SOPH SHINES

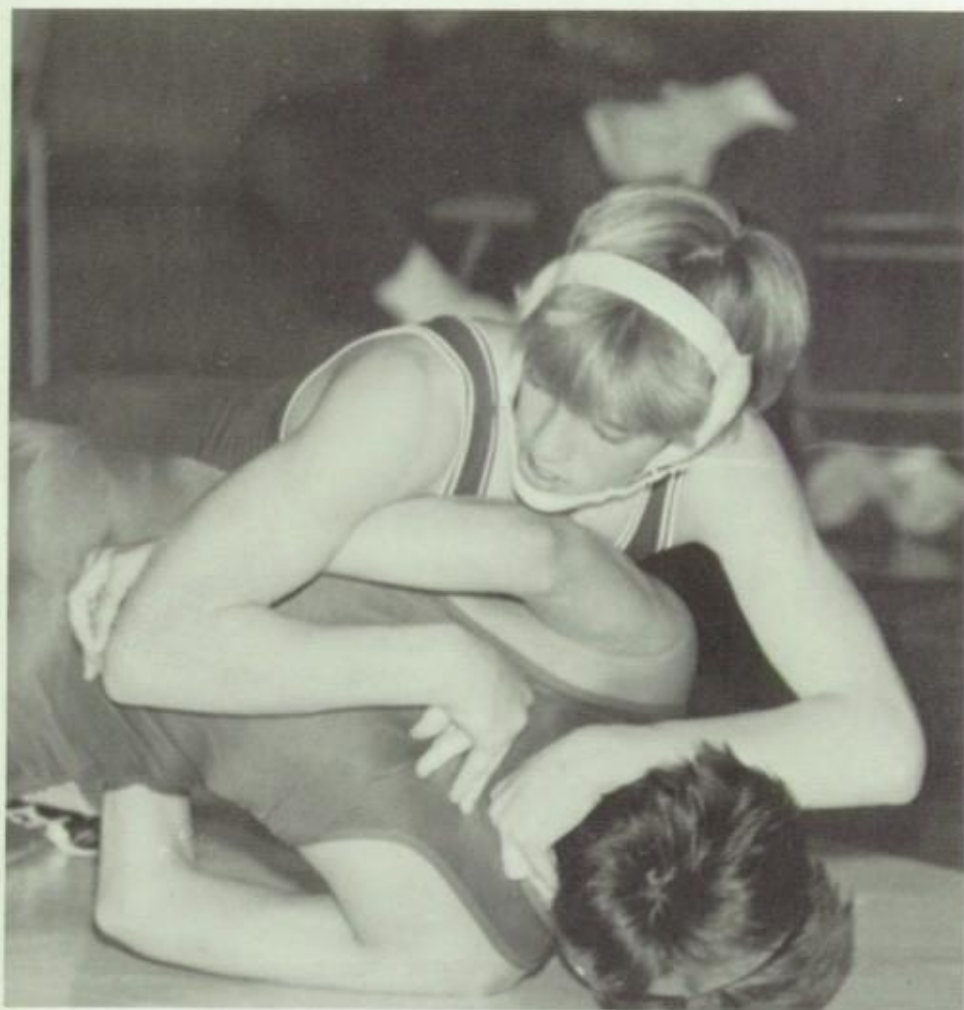

"The varsity fell short of its overall goal." Coach Monges

This year's varsity wrestling team had a number of wrestlers returning to the squad with hopes of improving their record of last year. The team showed weekly progress, with the high point of the season coming with a stunning 46-21 victory over the powerful Yerba Buena team. Though this year's varsity wrestling team fell short of its overall goal, it did have some fine individual performances from Marc Lefco, at 135, and Raul Guzman, Mount Hamilton League champ, at 191.

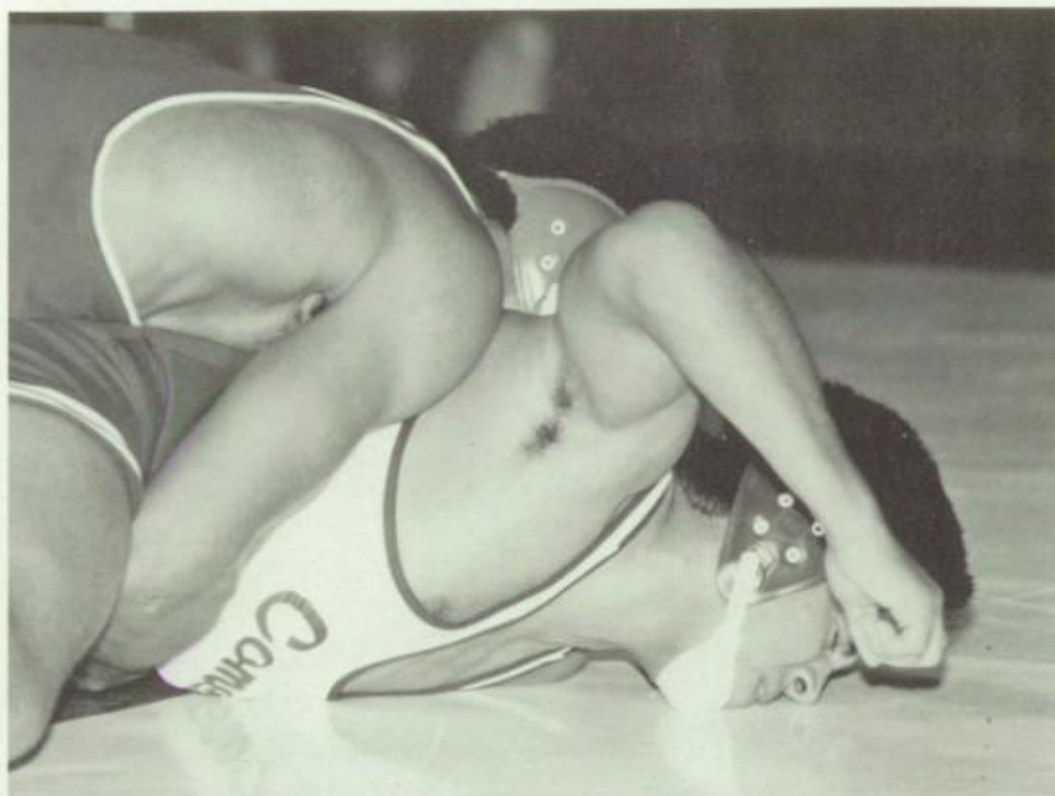

The Frosh Soph wrestling team had a outstanding season, compiling a record of 6 wins and 4 losses. There were a number of fine wrestlers this year, led by Jeremy Peterson at 114, Jose Jimenez at 121, Richard Maldonado at 167, and Robert Morales at 177. These men and a number of other fine wrestlers of the Frosh Soph team will add great depth to the varsity teams of the future.

SIX RETURNING LETTERMEN GIVE VARSITY A BRIGHT OUTLOOK

Special Thanks to the seniors
for all their time and effort -
Coach Manny Rodriguez

Coach Manny Rodriguez's outlook is very positive for this year's varsity. Six returning lettermen, led by four year varsity player Tom Navarro, returning All-MHAL Rico Rios, and catcher-pitcher Joe Amato give the team the experience needed to successfully compete on the varsity level. In addition to those mentioned above, Coach Rodriguez is also counting on Fernando Sandez, Ron Winters, and Gil Ontiveros. Early season found the going tough for the varsity, but almost all of the games were very close, leading observers to feel that with a little bit of luck, the Comets can compete with the best of them.

HARD WORK MAY OFFSET INEXPERIENCE

"I look forward to
coaching these hard
working young players."
Coach "Pops" Rodriguez

Coach Jim "Pops" Rodriguez is faced with a team that has limited experience but knows the value of hard work. The returning players are Larry Gonzales, Robert Griffith, Steve Batiste, and Arsenio Montana. Some outstanding players from the freshman class include Dave, "The Babe", Albert and Ryan Dorsche. "Pops" wishes the sophomores the best next year on the varsity and is looking forward to coaching the freshmen next year as sophomores.

GIRLS LOOK FORWARD TO ANOTHER SUCCESSFUL SEASON

**"This team believes it
can win the division."
- Coach Phil Menacho.**

A very optimistic Coach Phil Menacho is looking forward to the performances of veterans Chris Booth, Tina Perez, Cindy Benavidez, Jenny Ybarra, Reggie Garcia and Rosemary Soto. These ladies form the nucleus of a team that should be a definite MHAL contender; also expected to make valuable contributions are Annisa Segura, Diane Kamrar, Syliva Chavez, Michelle Covert and Selani Morris. Coach Menacho enjoys coaching this team listing positive attitude and desire to win as **BIG PLUSSES!**

INEXPERIENCED, BUT GOOD!!

"Coach Jones is a great inspiration," first baseman, Elaine Garcia

At press time the young Comet softball team was a respectable 2-2. There are few returning players, but this lack of experience doesn't seem to have kept the team out of the victory column. Leading the team has been catcher, Flo-rie Bates; Elaine Garcia, first baseman; Gine Montiel, third baseman; and Laura Reyes, second baseman.

DOUBLES LOOK STRONG, INEXPERIENCED SINGLES ARE KEY

"It is nice to build a team with thirty enthusiastic players." - Coach Dorene Vettel.

Coach Vettel is cautiously optimistic about her team's chances this season. Much of the responsibility for the team's success lies on the shoulders of returning veterans Dorothy Abreu, Madlyn Garcia, Lori Shortt, Angela Garza, Gracinda Carvalho, Edwina Baltierra, and Liz Faulkner. The inexperienced singles teams are expected to show consistent improvement throughout the season and should aid the strong doubles teams of A. Garza, M. Acosta, E. Baltierra, L. Shortt, G. Carvalho and L. Faulkner to make the Comets a competitive team. With so many young players on this team, Coach Vettel sees a strong nucleus forming to make the Comets title contenders in the future.

YOUNG TEAM LOOKS FORWARD TO MATURING AS SEASON PROGRESSES

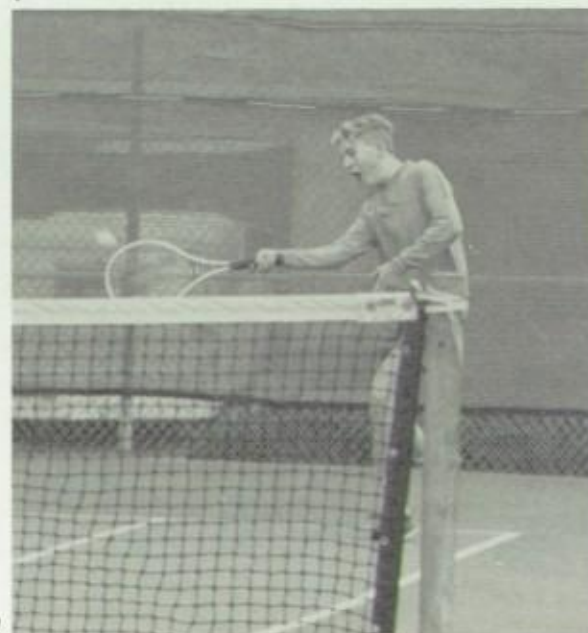

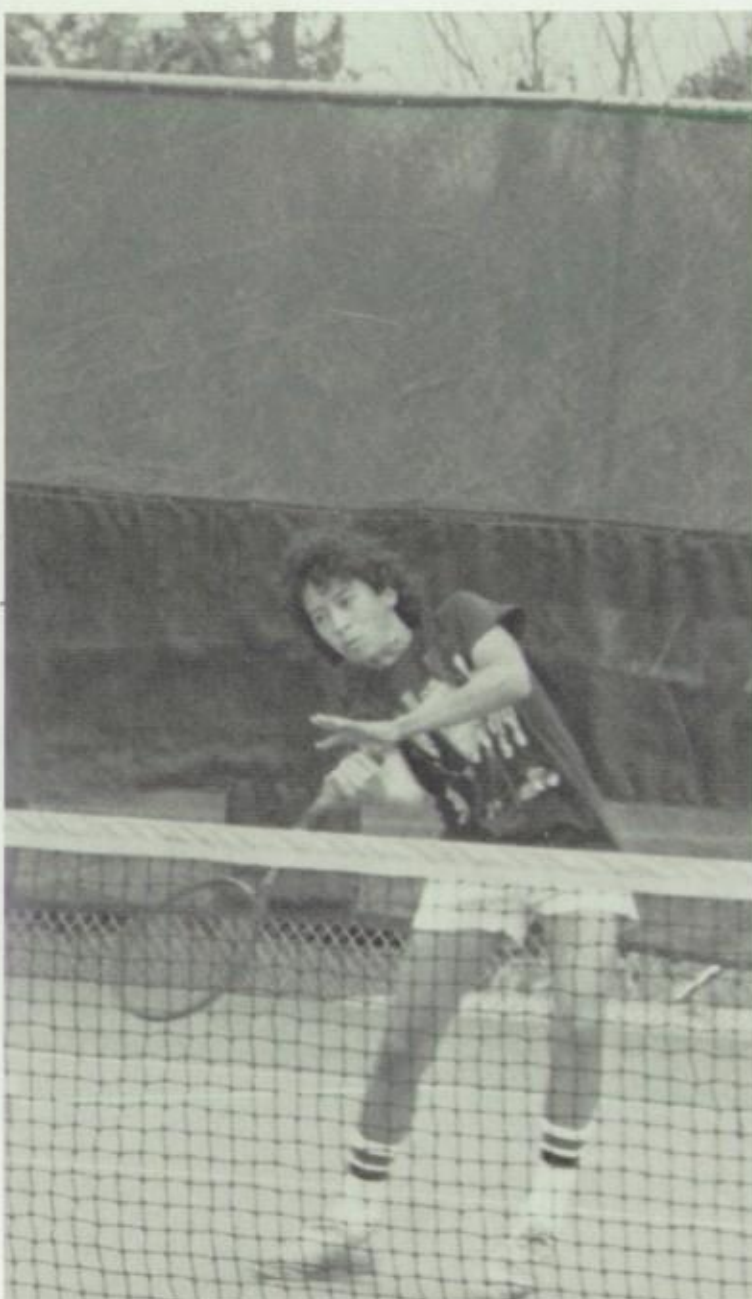

"A year to regroup and learn." - Coach Ray Jimenez

Coach Ray Jimenez is taking a realistic attitude about his team's chances this year. It certainly seems realistic to predict a long season for a team that lost the first five singles players and three of the four doubles players.

Although this is a team with some experienced players, including Dominic Hoang, Mai Tu, Shaun Herrera, Luan Huynh, and Sergio Barrera, the predominance of freshmen and sophomore leads Coach Jimenez to view the '86 season as a time to regroup, learn the basics, and to become competitive the following year.

Bottom row (l to r) J. Cotta, M. Castle, L. Huynh, J. Maruffi, T. Mai, S. Barrera. Top row: Coach Jimenez, T. DeVera, S. Herrerra, E. Lowe, C. Moore, S. Lee, J. Mauldin.

ANOTHER WINNING SEASON EXPECTED

"The enthusiasm and spirit of this team make it a pleasure to coach."
-Coach Carlos Saldivar

Top Row L to R: G. Carty, R. Bueno, M. Barba, L. Laufasa, P. Brewer, A. Williamson, J. Amendt, D. Fisher, M. Raney, B. Sooy, C. Saldivar; Middle Row L to R: A. Sklar, M. Kong, J. Strachan, J. Harms, J. Acosta; Bottom Row L to R: D. Collins, D. Bradley, S. Lewis, T. Fregoso, H. Wright.

This year's team, dominated by a fine group of sophomores and a handful of good seniors should continue Lick's fine tradition of track excellence. The experience and talent of seniors Matt Raney, weightman; Donald Fisher, sprinter; Manuel Barba; and Raul Guzman, weightman, should be nicely complemented by a fine group of underclassmen. 800 meter MHAL Champ and California State Meet participant, Joe Amendt; hurdler, Dante Ganes; sprinter, Sean Lewis; jumper, Antar Williamson; and distance runner, Jim Strachan head this group. The experience, talent and enthusiasm of this team should make it a contender for the MHAL title.

A YOUNG BUT PROMISING TEAM

"The freshman who have turned out will help make the team competitive." - Coach George Carty

Coaches George Carty and Bonnie Sooy welcome back six experienced athletes to this year's squad. The experience and talent of hurdler Marie Diez; jumper, Mai Nguyen; sprinter, Nancy Urena; sprinter and long jumper, Deshawn Jenkins; shot putter and discus thrower, Celia Derr; and distance runner, Rosalyn Slease, should provide a strong nucleus for the team. The fine group of newcomers should add the depth needed to make the Comet ladies a formidable MHAL opponent.

NO SENIORS, SMALL NUMBERS COULD MEAN A LONG SEASON

"We have a lot of
growing to do." -
Coach Fred Harris

The James Lick swimmers total but twelve in number; of these, eight have never been on an organized swim team before. None of these twelve are seniors, and only two are juniors, Mike Wilkerson and diver Bobby Long. These two coupled with other returning swimmers, Rad Lehr and Godfried Kesse, are the core of the team and need to have good seasons for the Comets to be successful.

Bottom row (l to r): Tom Gomez, David Perez, Bobby Long. Middle row: Godfried Kesse, Mike Wilkerson, Tim Peterson, Rad Lehr. Top row: Coach Fred Harris, John Valdez, Will Henninger, Carl Standly, Craig Hungerford, Roy Gitierrez.

MHAL CHAMP KRISTIN LEHR LEADS STRONG AND DEEP SQUAD

"I'm looking forward to a good season." - Coach Dan Walker

The outlook for this year's girls swim team looks promising. Leading the list of returners is 1985 MHAL Champion in the breaststroke and 200 yards, Kristin Lehr. Joining Kristin as experienced swimmers are Jackie Pate in the 500 freestyle and backstroke, Missy Dabel in the 50 and 100 freestyle, Vickie Moore in the backstroke, Sheila Martin in the 100 and 500 freestyle, Erica Holmberg in the 100 breaststroke, Anna DeSimas in the 200 yard individual medley and butterfly, and Kati Matthews in the freestyle. With this kind of experience coupled with the added depth of several promising newcomers, this team has a fine chance to do Lick proud this season.

Each year the Argus staff attempts to improve over previous editions and the 1986
 Argus, *Memories*, seems to have continued this trend. My hope is that as you browse
 through the pages of your annual, a smile will come to your face and a tear to your eye,
 for memories of past experiences stir emotions, whether good or bad, happy or sad.
 These memories play an important part in our personalities, appearances attitudes,
 and ultimately, our lives. This 1986 Argus was made possible through the efforts of
 our dedicated yearbook staff, Western School Portraits, and Les Peterson, our
 representative from Josten's Yearbook Company. Special thanks goes to Mrs. Darlene
 Bennet and Mr. Korb, whose experience, humor and patience made our yearbook
 "Memories of the Way We Were" very special.

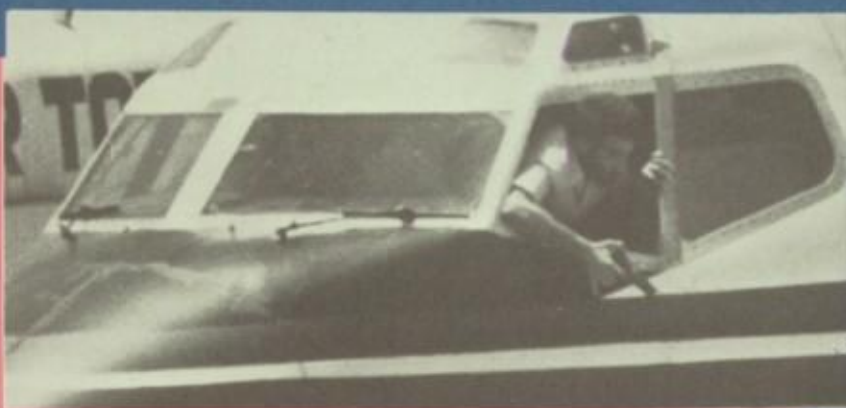

As the sun sets on the final page of this year's Argus, I'd like to leave you with one
 thought.

A memory safely tucked away
